

SNOW ATTACHMENTS

COMPACT EARTHMOVING, MATERIAL HANDLING, AND UTILITY EQUIPMENT

SNOW PUSHERS

Move more snow faster with a skid steer snow pusher designed to maximize productivity and reduce downtime.

PART NUMBER	DESCRIPTION
70014817	8-FT SNOW PUSHER
70014818	10-FT SNOW PUSHER
70014819	6-FT LOW PROFILE SNOW PUSHER
70014820	7-FT LOW PROFILE SNOW PUSHER
70014821	8-FT OSCILLATING LOW PROFILE SNOW PUSHER
70014822	10-FT OSCILLATING LOW PROFILE SNOW PUSHER

SNOW BLADES

Clear snow efficiently with a durable snow blade featuring a corrosion-resistant stainless steel moldboard for smooth snow rolling and long-lasting performance.

PART NUMBER	DESCRIPTION
70014823	6-FT SNOW BLADE
70014824	7-FT SNOW BLADE
70014825	8-FT SNOW BLADE
70014826	9-FT SNOW BLADE
70014827	10-FT SNOW BLADE

HIGH CAPACITY SNOW BUCKETS

Handle snow and bulk materials efficiently with a high-capacity bucket featuring enhanced cutting-edge visibility.

PART NUMBER	DESCRIPTION
70014829	72-IN HIGH CAPACITY SNOW BUCKET
70014830	96-IN HIGH CAPACITY SNOW BUCKET

MINI SNOW ATTACHMENTS

Purpose-built for mini skid steers, these attachments deliver reliable performance in snow and light-duty applications.

PART NUMBER	DESCRIPTION
70014831	5-FT MINI LOW PROFILE SNOW PUSHER
70014832	4-FT MINI SNOW BLADE
70014833	5.5-FT MINI SNOW BLADE
70014551	48-IN MINI SNOW AND LIGHT MATERIAL BUCKET
70014552	54-IN MINI SNOW AND LIGHT MATERIAL BUCKET
70014553	60-IN MINI SNOW AND LIGHT MATERIAL BUCKET

SNOWGRR™

Designed for efficient snow removal beneath semi-trailers, the auger system moves snow up to 8 feet away to help speed trailer hookups. Compatible with skid steer equipped with a universal mount and auxiliary hydraulics.

PART NUMBER	DESCRIPTION
70014836	16.5-FT SNOWGRR AUGER PUSHER

MELTRR - SALT SPREADER

Simplify winter maintenance with a self-loading salt spreader that makes deicing sidewalks, driveways, and parking lots easy.

PART NUMBER	DESCRIPTION
70014828	72-IN SALT SPREADER

LOW PROFILE SNOW PUSHER

SNOW BLADE

SNOWGRR
