Conserve Space and Create a Safer Environment

Maximize platform space and reduce trip hazards by storing the materials on the outside of the platform. Increase productivity by allowing more materials to be carried to the work area. Pipe racks help keep your tools and materials organized and within reach.

Features and Benefits Include:

- Installs easily with the use of clamps.
- JLG designed and approved.
- Neatly store material during transport.
- Work materials stored at waist level, to reduce worker fatigue from constant bending.
- Ideal accessory for plumbing, electrical and sprinkler contractors.
- Removable when not in use.
- Preserves platform rails when workers use racks to hold and position materials instead of the rails.
