Heavy Duty Toolboxes for Flatbeds & Service Bodies

- Perfect balance of security and weather resistance with a durable 14-gauge steel body and black powder-coated finish
- Helps keep box contents safe and secure behind a recessed drop door and continuous hidden hinge
- Protect against weather and theft with locking stainless-steel compression latch
- Can be mounted on either a flat surface or under-bed (under-bed installation requires mounting brackets, sold separately)
- Built to last with aircraft grade cables and a replaceable gasket sealing system
- Made in the USA
