

FEDERAL SIGNAL LIGHT BARS

Standing a mere 2-in tall, the Allegiant™ 61-in light bars are a dual-color warning solution packed with technology and options ideal for Work Truck applications.

The Allegiant features the bed light option. The bed light, exclusively from Federal Signal, is an option that shines a steady work light down from the light bar onto the bed of the truck for added visibility for operators.

- USA Engineered, Manufactured, and Assembled
- 5-year Warranty from Federal Signal
- ROC (Reliable Onboard Circuitry) Technology Allows for Ease of Service and Maintenance
